Part II

1. EPISCOPAL FUND

The Episcopal Fund as set by General Conference shall be an amount equal to 1% per cent of the salary of pastor and ministerial assistants for the current year.

3. THE BOARD OF CONFERENCE CLAIMANTS requests an apportionment of an amount equal to 14% of the salary of the pastor and all ministerial assistants.

The three items above equal 20% per cent of Pastor's Salary. All are to be remitted to the Conference Treasurer.

Part III

1. ORPHANAGE:

We recommend the apportionment to each charge of an amount equal to seven (7) per cent of the total money raised by the charge in the Conference Year 1946-1947 as reported in our 1947 Journal, less the following five items:

Statistical Table 2-A—Amount paid on Indebtedness including principal and interest.

Statistical Table 2-A-Amount paid on Buildings and Improvements.

Statistical Table 2-B-Amount paid Schools and Colleges.

Statistical Table 2-B-Amount paid on Crusade for Christ.

All special gifts for endowment purposes made either to the local church or the orphanage.

All orphanage specials, except that raised by the Woman's Society of Christian Service, are to be credited on the 7 per cent asking.

We further recommend that in order to have the apportionments uniformly calculated that the Business Manager of the Orphanage have the calculations made for each charge, inform each charge of the amount, and furnish each District Superintendent with a report for his District—Further, that the Business Manager be authorized to notify each charge quarterly of its credits and balance of apportionment for the Conference year.

It is anticipated that exact payment of this apportionment will provide the Orphanage with \$124,000.00.

2. MINIMUM SALARY FUND (formerly called Sustentation Fund):

We recommend the apportionment to each charge of $2\frac{1}{2}$ per cent of the total money raised as in paragraph 1.

All payments on unpaid Methodist College Advance pledges which are collected after the 1949 Conference may be applied on this 2% apportionment.

The total apportionments in Part III equal 11% of the total money raised as herein defined.

4. HOSPITALS AND HOMES: FOR GOLDEN CROSS AND METHODIST RETIREMENT HOME.

We recommend the apportionment to each charge of 2 per cent of the total money raised as in paragraph 1, or an amount equal to 2/7 of the amount of the Orphanage apportionment to be remitted to the Conference Treasurer. The total proceeds of this apportionment to be divided equally and paid to Treasurers of the Golden Cross Fund and Methodist Retirement Homes, Inc. (For the central home for aged in Durham.)

The local church is urged to observe Mothers' Day and to apply the offering toward this twin fund, the total of the apportionment to be provided for by this or other means.

We further recommend that each pastoral charge complete its entire responsibility toward building Camp Don-Lee for this quadrennium by accepting as a goal for the quadreuuium an amount equal to 1/2 (one half) their acceptance for World Service and Conference Benevolences for 1948-49, with the option of paying the entire amount in one, two, three, or four years. We request the District Superintendents to submit this plan to each pastoral charge.

REPORT NO. 1-BOARD OF MISSIONS AND CHURCH EXTENSION

The Board of Missions and Church Extension, acting upon the suggestion of the Commission on Town and Country Work, recommends that the minimum salary scale be revised to read as follows:

Single men	\$2,000
Married men	\$2,200
Married men	with one or more dependent children\$2,400

We also recommend that the treasurer of this Board be instructed to make a supplementary payment of \$100 to each of those pastors who receive only the minimum salary and who are giving full time service, provided the funds are available out of this year's receipts, this money to be paid from sustentation funds and to be paid on or after October 1, 1950.

J. E. GARLINGTON, President S. J. STARNES, Secretary

REPORT NO. 2-BOARD OF MISSIONS AND CHURCH EXTENSION

"The Advance for Christ and His Church" has met with a fine response on the part of many of our churches, and the Board of Missions and Church Extension has endeavored to lend every assistance possible to this great program. While the Mission Specials total has not yet reached all that we could wish, we are grateful to know that werever it has been faithfully and enthusiastically presented it has been accepted in a fine spirit.

This board would like to record here its deep gratitude to the S. F. Dickinson Estate for the outright gift to the North Carolina Conference of the splendid Core Creek church, together with a bank account of some \$15,000, to be used for upkeep purposes. This church can serve an excellent purpose in that community, and we are glad to number it among the Methodist family.

In keeping with the trend of Extension, the board has voted to set aside \$5,000 of its extension funds for the coming year to be used at some strategic point for establishing a new church. The project is to be recommended by the Bishop and his cabinet, and passed upon by this board. In this connection we again emphasize the importance of proper location for new church projects. This we feel is most desirable.

In keeping with the policy of the board for many years, we urge the organization of city and district mission societies to secure locations, hold titles, and act as an agency through which to secure aid from the General Board of Missions and Church Extension for building purposes. The Durham Methodist Society and the Raleigh Mission Society are typical examples of what can be done along this line. We are glad to note that the Durham Society has expanded into the Durham District Society. This is the first district in the conference to so organize, and is in keeping with the suggestions of the General Board.

With the upsurge in building, this board has found itself unable to meet all requests for aid, but it has endeavored to use its best judgment in allocating the funds available. This year we had requests for something like \$38,000 for exten-

sion work We paid \$20,000 in Refunding Bonds, and have allocated \$7,000 additional. It should be noted that donations and loans granted from the extension fund are limited to one year, unless a request for their renewal is made in writing to the Secretary. The mimeographed sheet distributed will show the receipts and disbursements in each of these funds, as well as the balance on hand. These balances do not include U. S. Treasury Bonds held by the Board. \$10,000 Mission funds, and \$25,000 sustentations funds are so invested.

We concur with the plan of the Conference Missionary Secretary, Rev. Leon Russell, to hold a district Missionary Institute in each of the District the latter part of January, and we urge full co-operation in these institutes by the pastors

and laymen.

The Mission Study Book this year should be especially interesting to North Carolinians, since it was written by our own Bishop Paul N. Garber, so well and favorably known to us all. The title of the book, The Methodists of Continental Europe. Bishop Garber is exceptionally well prepared through his experience in Europe to write this study book. We commend it to all our people and trust it will have a large distribution.

The board has voted to co-operate in the matter of the youth caravan to Europe by supporting the expense of the adult leader of the group up to \$1,000, provided the board has a part in selecting the leader and the young people who are to go.

We recommend that the month of January be designated by the conference as "Good Literature Month," and that during this period special efforts be made to increase the circulation of our North Carolina Christian Advocate, and the World Outlook. These two periodicals should find a place in every Methodist home.

We recommend Rev. Leon Russell to succeed himself as Conference Missionary

Secretary.

We recommend the names of Dr. J. M. Ormond, and Dr. H. C. Smith as members of the Board of Managers of the North Carolina Pastors' School.

The treasurer's report and a list of appropriations are attached hereto.

J. E. GARLINGTON, President

S. J. STARNES, Secretary

REPORT NO 3-BOARD OF MISSIONS AND CHURCH EXTENSION

According to the Discipline by the authority of this conference the District Missionary Secretaries may become members of the Board of Missions and Church Extension and we are asking the conference to authorize this action and include them in the membership of the Board of Missions and Church Extension.

The board has appointed a committee of laymen to work through the larger churches in the conference and with the cooperation of the District Superintendent in establishing new churches in congested areas adjacent thereto and surrounding communities.

REPORT NO. 1-BOARD OF EDUCATION

Local Church Section

The Board of Education staff has continued to emphasize the Fourth Sunday Mission feature during the Crusade and during the beginning of the Advance.

We are glad to note that progress has been made in children's work as indicated by the eurollment in vacation church schools, gains in the nursery department, two laboratory schools held for workers, increased number of vacation school institutes, and leadership education. Miss Doris Sutton, Director of Children's Work, now Mrs. Raymond lngram, has resigned.

During the last six years Assembly and Camp opportunities have doubled. Last summer 200 adults participated in leadership.

The Methodist Youth Fund has increased during six years from \$2,364 to \$8,606.

We have sponsored an adventurous youth leadership training program. Our young people have pioneered in conference-wide laboratory sessions, Christian vocation sessions, with over 200 volunteers being listed as candidates for the ministry and other church vocations. Our young people edit and publish "Youth in Action." Progress has been made in district and sub-district work.

Troy J. Barrett, Director of Youth Work, has resigned to take a pastorate. Under his leadership much progress has been made in student work.

In the adult division young adult work has been the major emphasis. Senior adults are also receiving much attention. We propose the establishment of a department of Christian Family Life.

Leadership education is receiving increasing emphasis, with progress being made.

We hereby express our most sincere appreciation to Mrs. Raymond Ingram and Mr. Troy J. Barrett for the splendid work which has been done by them as members of the Conference staff. We pray God's blessings upon them in their new fields of endeavor.

Recommendation for the Year 1949-50

- 1. Finding and employing a Director of Children's Work.
- 2. Major emphasis on leadership education along lines recommended by the committee of the Board of Education.
 - 3. Completing and putting to use Camp Don-Lee.
- 4. Strong support for the Christian education features of the Advance for Christ and His Church.
 - 5. Reaching the goal of \$10,000 in the Methodist Youth Fund.
 - 6. Establishment of a department of Christian Family Life in our Board work.
- 7. Continued efforts on behalf of better support for our church-related institutions of higher learning.

Resolution on Dissolving Methodist Protestant Boards of Education

The Board of Education has joined with the Western North Carolina Conference Eoard of Education in authorizing the dissolution of the charter of the former Methodist Protestant Board of Education, Incorporated. We request the Conference to approve this action and authorize the Board of Education to notify the Secretary of the State of North Carolina.

A. P. BRANTLEY, President D. L. FOUTS, Secretary

REPORT NO. 2-BOARD OF EDUCATION

Our educational institutions express appreciation for the money the Conference is giving toward the operating expenses. They also express the urgency of increased annual support which will tend to bring the level of support in line with the goal established by the last General Conference and with the needs that must be met if they are to reach and maintain proper standards and serve the Conference adequately.

Greensboro College: For the scholastic year ending May 29, 1949, the enrollment totalled 397. Sixty-eight counties of North Carolina furnished 86.4% of the students. Fourteen denominations were represented. Methodists constituted 77.4% of the enrollment. Of the 69 members of the graduating class, 18 were religious majors, who are working in local churches on a full-time basis. Most of the students are being prepared to accept leadership in the work of the church on a volunteer basis. Statistics for the year ending June 30, 1949, are as follows: Officers and teachers, 51; students enrolled, 397; value of property, \$756,271.29; no indebtedness; endowment, \$644,323.45.

Louisburg College: This institution has begun the 163rd year since its founding with a student enrollment of 215 and 24 officers and teachers. The property valuation is \$449,601 and the endowment is \$137,627. There is no indebtedness. The construction of a gymnasium to cost \$150,000 is progressing. Completion is expected by the spring of 1950. Approximately \$10,000 must be acquired for seating and furnishing before the structure can be used properly. Student requests for financial assistance have increased. The decrease in government-financed students and the elimination of the 5% Fund have lowered the income of the College. The endowment of the College needs to be increased. The grounds and the buildings have been improved and made more attractive.

High Point College: The enrollment for the year ending May 31, 1949, was: summer school, 547; extension, 75; regular sessions 846. Of the enrollment in the regular session, 93% of the students were from North Carolina, 53% of whom were Methodists. The enrollment included 29 ministerial students, 20 children of

ministers, 15 children from orphanages, necessitating concessions by the college amounting to \$7,512.44. The value of land, buildings, and equipment is \$914,165.51. The endowment fund is \$447,199.16. During the fiscal year the College operated at a net loss of \$12,772.13. The budget has been balanced for 1949-50, and no deficit is anticipated. For the academic year there were 40 faculty and staff members. The college needs an additional appropriation from the two Conference in North Carolina of \$10,000 annually to enable it to qualify for accreditation by the Southern Association of Colleges and Secondary Schools.

Duke University: Statistics for the year ended June 30, 1949, are as follows: Number of students for the academic year 1948-49, 5,493; number of students for summer school 1948, 1,664; officers and teachers, not including assistants, 502; value of Duke University Agency Funds, \$118,150.90; value of Duke University Loan Funds, \$480.392.09; value of Duke University Scholarship Funds, \$800,232.99; value of endowed special funds, \$436,784.89; value of expendable special funds, \$2,802.910.17.

Camp Don-Lee Resolutions

- (a) CHRISTMAS CAMP OFFERING: In view of the fact that the construction of Camp Don-Lee is well advanced, but must be completed before being put to use, the Board of Education requests that it and its representatives be authorized to raise funds for Camp Don-Lee, by means of the usual Christmas Camp Offering, and through enlisting individuals, pastoral charges, and sub-districts in special donations or building projects.
- (b) Resolved that the corporation, "Camp Don-Lee Incorporated," be authorized to borrow or issue bonds for an amount not to exceed \$50,000 to complete construction of buildings now in progress and to construct buildings and other facilities for beginning use of the property for youth camping at the earliest possible date, with the understanding that this obligation be retired by donations from individuals and churches to the Camp Don-Lee Building Fund and with the further provision that the said Corporation, "Camp Don-Lee Incorporated" be authorized and empowered to pledge the Camp Don-Lee property as security for any funds or any bonds sold.
- (c) CAMP DON-LEE BUILDING FUND: We recommend that each pastoral charge accept a goal, toward the completion of construction at Camp Don-Lee, of an amount equal to 1/8 of the acceptance of that charge for World Service and Conference Benevolences for the conference year 1948-49. We further recommend that each pastoral charge complete its entire responsibility toward building Camp Don-Lee for this quadrennium by accepting as a goal for the quadrennium an amount equal to 1/2 (one half) their acceptance for World Service and Conference

Benevolences for 1948-49 with the option of paying the entire amount in one, two, three, or four years. We request the District Superintendents to submit this plan to each pastoral charge.

Rocky Mount, North Carolina

Dear Dr. Grant:

We have made an examination of the cash receipts and disbursements of the Camp Don-Lee Construction Account for the period from November 18, 1948, to November 30, 1949, and submit herewith our report consisting of the following statements.

Exhibit A—Summary of Cash Receipts and Disbursements for the period November 18, 1948, to November 30, 1949.

Schedule A-1—Receipts for the period November 18, 1948, to November 30, 1949.

Schedule A-2—Disbursements for the period November 18, 1948, to November 30, 1949.

Schedule A-3-Cash on Hand and Deposit, November 30, 1949.

Our examination consisted of comparing all recorded book receipts with bank deposits and paid cancelled checks with book disbursements. The bank statement for the month of December, 1949, was obtained directly from the bank and cash on hand (\$566.90) and outstanding checks were compared with the bank statement and bank reconciliation at November 30, 1949, respectively. In connection with our verification, paid invoices were examined in support of disbursements except those for liability insurance on truck, trustees' dinner and stamps. An account payable in the amount of \$2.016.64 was due to the A. T. Griffin Company, Goldsboro, North Carolina, at November 30, 1949.

The balance on deposit (\$619.08) with the Branch Banking and Trust Company, New Bern, North Carolina, was verified by direct communication with the depository.

The following insurance was in force at November 30, 1949:

Buildings and Contents—Fire	\$25,000.00

REPORT OF THE WESLEY FOUNDATION COMMISSION

Balance November 30, 1949

During the Conference year just closing the Western North Carolina and the North Carolina Conferences have made their maximum financial contribution to student work through the Wesley Foundation Commission and the maximum program has been developed in the colleges and universities of our State. The total receipts of the Wesley Foundation Commission amount to \$12,993.50. This comes chiefly from appropriations made and paid by the two Conference with a smaller contribution coming from the General Board of Education. We have also received a small refund from the General Board of Education from the money contributed by our students to the Methodist Student Fellowship Fund.

In our state-wide promotion, Troy J. Barrett has served for his second year as State Director of the Methodist Student Movement. He has visited 28 college and university campuses, and has made more than one visit to some of these schools were there was special need for assistance or where urgent invitations called for additional service. A Methodist student group was organized at Campbell College and our State Director has assisted in organizing new units of the Methodist Student Fellowship to the point where this movement is inactive at only one or two small junior colleges conducted under the sponsorship of other denominations.

We have helped to support the work of full-time Wesley Foundation Directors at College Place Church, Greensboro; University Methodist Church, Chapel Hill; Fairmont Church, Raleigh; and at Duke University. This year for the first time we have made a moderate contribution to the work of the Wesley Foundation Director at East Carolina Teachers College in Greenville. Similar assistance has been authorized at Boone, N. C., when a comparative program shall have been put into effect. We are contributing to the support of the Wesley Foundation Director at five colleges and universities in the State. Since Duke University divides its support between a worker on the men's campus and one on the campus of the Woman's College a complete list of employed student workers now gives a total of six in the state plus a State Director, making seven persons employed in Methodist student work. We can remember when a very few years ago only College Place Church, Greensboro was holding out faithful with an employed Director.

The Wesley Foundation Commission is asking for reports and recommendations on student work at other institutions and is anxious to develop and offer financial support wherever it is needed and can be well used in a program which is satisfactorily planned and properly based in a college church with a campuschurch relations committee to administer the program.

The Wesley Foundation Commission enjoys a sense of gratification that so much progress has been made in ministering to college and university students upon whom we must depend for our candidates for the Christian ministry, for the mission field, and for Christian education leadership in the local church.

In order to provide more adequate support for student work at the institutions where the Methodist program is supported by the Wesley Foundation Commission (University of North Carolina, North Carolina State College, Woman's College, Duke University, and East Carolina Teachers College), we recommend adoption of the "five dollar plan," which is already being operated successfully in several Annual Conferences. According to the plan each local church is asked to contribute from its budget, or other sources, an amount of \$5.00 for each of its students attending one of the institutions named above. Funds would be sent directly to the treasurers of the respective Wesley Foundations at the state institutions, and to the treasurer of the Methodist Student Fellowship at Duke University.

Respectfully submitted,

W. A. STANBURY, Chairman C. S. HUBBARD, Vice-Chairman J. G. PHILLIPS, Secretary

REPORT NO. 1-BOARD OF CONFERENCE CLAIMANTS

For the Support of Superannuates, their Widows and Dependent Children

Your Board recommends that an amount equal to fourteen (14%) per cent of the salaries paid to all the pastors and the clerical assistants who are members of the North Carolina Conference of the Methodist Church be assessed against all charges of said conference and be sent to the conference treasurer who shall administer same as provided in the Discipline.

REPORT NO. 2-BOARD OF CONFERENCE CLAIMANTS

First we wish to express our deep appreciation to Dr. J. W. Crichlow, from the General Board of Pensions, of The Missouri Corporation, who was of great assistance to us in interpreting the New Pension laws.

It gives us great pleasure to report another year of progress. We have been able to meet the second goal set by the Jurisdictional Conference. We are able to pay for the year 1950 the sum of \$35.00 per year's service for the retired men and \$24.50 for the widows.

We recommend that the appointment to the Oxford Orphanage be made without annuity claim.

We nominate James Cousins, to succeed himself as secretary-treasurer of the Ministers Retirement Fund at a salary of \$450.00.

The books of the treasurer of this fund and that of the Board of Conference Claimants have been audited by a Certified Accountant and his report is filed with this report.

The following claimants have died during the year: Rev. J. C. Whedbee, Rev. F. B. Joyner, Rev. J. W. Potter, Dr. J. M. Culbreth, Rev. J. A. Martin, Mrs. J. C. Humble, Mrs. A. McCullen, Mrs. W. F. Trawick, Mrs. F. M. Shamburger and Mrs. J. P. Pate.

Respectfully submitted,

Auditor's Report

November 1, 1949

Mr. James F. Cousins, Treasurer

N. C. Conference, Board of Conference Claimants

Durham, North Carolina

Dear Mr. Cousins:

In accordance with your instructions, we have checked the records of the Board of Conference Claimants for the period from November 1, 1948, through October 31, 1949.

The balance shown in the checking account was verified by reconciliation of the statement furnished by the Fidelity Bank. All recorded receipts were traced into the depository and disbursements were verified by inspection of cancelled checks.

Savings accounts and other investments were verified by inspection of the savings account book and of the paid-up share certificates.

Based upon the examination made, it is our opinion that the attached Cash Receipts and Disbursements statement shows correctly the financial transactions of the Board of Conference Claimants for the year ended October 31, 1949, and that the balances shown on hand at that date are correct.

Respectfully submitted,

ASHLIN, THOMAS AND KNIGHT By ARTHUR KNIGHT, C.P.A.

*Some years ago this item was mailed directly to the Claimants by The General Board of Pensions in St. Louis. Then it was sent to the Treasurer of this Board who sent separate checks to the Claimants. For the past three years it has been added to the June or September check from this Board. Beginning with this year it is being added to other monies received by this Board for general distribution to Claimants. This final step was made necessary by the adoption of "Divided Annuity Responsibility." It helped to enable us to increase our Annuity Rate to \$35.00.

The amount shown as "Duke Funds" was mailed out as in the past by Duke University about December 15, 1949. REPORT OF TREASURER OF MINISTERS' RETIREMENT FUND

Mr. James F. Cousins, Treasurer Ministers' Retirement Fund Durham, North Carolina

December 9, 1949

Dear Mr. Cousins:

Paid to Claimante

We have made an examination of the Cash Receipts and Disbursements of the Ministers' Retirement Fund for the Conference Year 1948-49 and submit herewith our statement of receipts and disbursements for that period.

All recorded cash receipts were traced into the bank account and all disbursements were verified by examination of cancelled checks. Cash in the Fidelity Bank, Durham, North Carolina, on November 30, 1949, was verified by reconciliation of the statement furnished by the bank. Investments in Building and Loan Stock, U. S. Savings Bonds, and savings accounts were verified by inspection. The first mortgage loan on the new parsonage of Duke Memorial Methodist Church was examined. The balance of this loan at November 30, 1949, was verified by the church treasurer.

The attached statement showing payments to the Ministers' Retirement Fund by individuals and by charges was verified by check to individual accounts. In addition, duplicate receipts were added and found to be in agreement with the amounts shown.

Based upon the examination made, it is our opinion that the attached cash receipts and disbursements statement shows correctly the financial transactions of the Ministers' Retirement Fund for the Conference Year 1948-49 and that the balance as shown on November 31, 1949, is correct.

Respectfully submitted.

REPORT OF THE BOARD OF LAY ACTIVITIES

Your Board of Lay Activities during the conference year has cooperated in the promotion of the ADVANCE FOR CHRIST AND HIS CHURCH program and in the regular activities of the Church.

Laymen's Day was formally observed in nearly every charge of the Conference and, at other times during the year, more pulpits have been filled by lay speakers than ever before. There is a growth in the efforts of this Board to assist in circuits and it is pledged this will be continued.

All of the districts have been divided into several zones, with Associate District Lay Leaders assuming definite responsibility for the progress of lay work in each. Splendid results in training laymen have been obtained from this division of responsibility and from enthusiastic group meetings.

The Annual Retreat at Louisburg College was one of the most successful in the history of this event, with about 150 laymen in attendance. The Advance, in its faith phases, was the central theme. In a general discussion of the work of the Church, and after careful consideration, the group endorsed the idea of changing the time of the annual session of the conference from the fall to a suitable time in the summer. A committee, authorized to fix the date of the Annual Retreat, reported that after much study and careful thought, the Retreat would be held in 1950 at Louisburg College on June 17-18.

The Board of Lay Activities, in addition to its continued support of the Advance movement in all its phases of emphasis, proposes for the coming year:

- To help pastors in training and developing a more efficient and interested lay leadership;
- To assist in developing a larger sense of the responsibilities attendant upon membership on Official Boards or Boards of Stewards;
- To increase the number of "Methodist Men" groups in the North Carolina Conference;
- 4. To continue to try to improve methods of financing the local church program;
- 5. To seek a one hundred per cent observance of Laymen's Day in 1950;
- 6. To endorse and support the project of completing Camp Don-Lee.

While the Board of Hospitals and Homes of the North Carolina Conference transmits annual reports concerning institutions within Conference jurisdiction, this Board exercises no supervision over the activities of these institutions, but concerns itself almost entirely with Golden Cross.

In its first meeting following appointment in Greenville, the present Board pledged itself individually and collectively to concerted and continuous effort toward making Golden Cross an effective arm of the church in its ministry to the needy sick. As an approach toward this effort the Board outlined the primary problem areas as:

- 1. Need for increased interest and activity on the part of the Board of Hospitals and Homes;
- 2. The need for developing adequate machinery for disseminating information in regard to Golden Cross:
- 3. Developing methods for the raising of funds for accomplishing Golden Cross purposes;
 - 4. Developing administrative channels for making use of Golden Cross services;
 - 5. Developing conservation of Golden Cross resources.

The Board's attempt at solution of the first problem was to resolve that meetings would be held quarterly during its first year, or more frequently if necessary. This schedule has been adhered to with almost complete Board attendance at each session.

Since the remaining problem areas were largely concerned with the development of procedure and practices, the Board, after careful study, outlined trial policies for use during the year. While the Board by no means feels that these trial policies have been perfect or that the problems have been solved, it is strongly of the opinion that progress has been made in all problem areas and that the experience gained will serve us well in the future.

The Board and the Golden Cross committees are more than ever impressed with the need for an expanded Golden Cross service reaching into every church in the Conference. To that end we pledge continued interest and effort in promoting such expansion and recommend to the Conference that:

- 1. The Mother's Day offering be continued in accordance with the report of the Commission of World Service and Finance:
- 2. Each District Superintendent shall maintain a representative District Golden Cross Committee consisting preferably of one minister, one layman and one laywoman, whose duties shall be:
 - a. to cooperate with Board of Hospitals and Homes;
 - b. to promote interest in the Golden Cross principle;
 - c. to raise Golden Cross funds;
 - d. to approve hospitalization.
- 3. All approvals for Golden Cross service shall be vested in the District Golden Cross Committees, except as hereinafter provided;
- 4. Approvals by District Golden Cross Committees shall be based upon evidence of extreme financial need;
- 5. There shall be no division of current or reserve Golden Cross funds as to hospitals of choice or as to the District in which the approvals originate;
- Initial approvals for Golden Cross service by District Committees shall be limited to fourteen days;
- 7. In cases of extreme need initial approval may be extended an additional fourteen days;
- 8. Maximum approval shall not exceed twenty-eight days within any six months period.
- 9. Approvals shall not exceed six dollars (\$6) per day at hospitals other than those providing complete ward care at eight dollars (\$8) per day;
- 10. Approvals for ward service may be for eight dollars (\$8) per day at hospitals agreeing to provide complete ward service at that rate;
- 11. At such hospitals, District Committee approvals shall be confined to ward service except upon approval by a Board Committee consisting of Rev. A. L. Thompson, 407 Chamberlain Street, Raleigh, N. C., and Mrs. D. S. Coltrane, 1611 Oberlin Road, Raleigh, N. C. In usual circumstances this Board Committee may approve payment toward private care at such hospitals at a rate of eight dollars (§8) per day;
- 12. As needed, the Board of Hospitals and Homes is authorized to supplement current funds for general use in amounts not to exceed \$5,000 per year from unexpended funds formerly allotted for service to patients approved at Duke Hospital.

In response to the Conference need for an expanded ministry to the sick the Board further recommends:

1. When and if matched by the Western North Carolina Conference, \$1,500 annually be appropriated from Golden Cross funds in support of a chaplaincy program at Duke Hospital;

2. That in the interim \$600 be appropriated annually from unexpended Duke Hospital Golden Cross funds in support of a student chaplaincy program serving patients at Duke Hospital.

In the coming year your Board intends to give the policies outlined a full opportunity to prove or disprove their merit in bringing Golden Cross service to the stature it deserves among the works of our Conference. The Board feels that these policies, or any policies, will require complete understanding and cooperation on the part of every Conference member. The Board earnestly solicits such understanding and cooperation, and looks forward confidently to the response we can expect in a cause so near to the hearts of our membership.

Our work during the past year has shown us the magnificent opportunity for service, provided we can make the crying need known to our people. We believe that we can do that job with your help, and have mapped out a program for the year ahead. This program is designed to spread the Golden Cross gospel throughout the Conference by methods which include meetings with District Golden Cross Committees, presentations at District and Annual Conference, distribution of promotional material, and constant liason with Conference ministers in regard to the Golden Cross program.

REPORT OF THE BOARD OF EVANGELISM TO THE NORTH CAROLINA ANNUAL CONFERENCE

Your Conference Board of Evangelism would like to pledge its support to the Advance for Christ and His Church in all of its emphases. We believe this program brings to us a good evangelistic opportunity. In preparation for our task we would like to offer three specific recommendations.

Ι

The present emphasis in the Advance for Christ and His Church is "Our Faith." This emphasis is a golden evangelistic opportunity. It opens up the way for clear, concise, constructive teachings about the love, grace and redemption which man may find in Christ. These are basic needs in man's life. He needs the inspiration and strength of a holy Example, he needs to sit prayerfully and attentively at the feet of the great Teacher; but more than Example and Teacher, he desperately needs a Saviour. We must so effectively teach this truth that man will really believe it and so believe it that he will act accordingly. This emphasis gives the Church an opportunity to offer to man, man with his fears, inhibitions, neuroses and sins, security, solid foundations, salvation in and through Christ.

TT

Since the Board of Evangelism of our Conference has made available the following material to be used:

- (a) "They Went Forth—Two by Two" (Turn over charts to train laymen in visitation evangelism)
- (b) "Bringing Christ to the Home" (15-minute slide films including 78 r.p.m. phonograph records)
 - (c) "Directors' Training Charts" (Turn over charts for training pastors and directors of visitation campaign)
- 1. We recommend that each District Secretary, in cooperation with the District Superintendent, call together as soon as possible in the conference year, the preachers for a thorough study of the use of these materials in each local church;
 - 2. That we emphasize both home visitation and mass evangelism;
 - 3. We heartly recommend that each District Director in cooperation with the

District Superintendent seek out those churches in the district which have not received any on profession of faith this past year and at the earliest possible date, in cooperation with the local pastor, carry out an extensive evangelistic program;

- 4. We suggest that each District Secretary of Evangelism, in cooperation with the District Superintendent, send each pastor the membership goal for his charge immediately following the Annual Conference session;
- 5. We urge that each pastor present the membership goal for the year to the local committee on Membership and Evangelism and that together they work out a program of evangelism designed toward reaching their goal.

III

It is not enough to say "The pastor is the key man in the local church situation." People are going to be influenced. It is the preacher's first responsibility to see that they are influenced for Christ and His Church; therefore, the Board of Evangelism would like to sponsor Recreats for the ministers throughout the Conference designed to emphasize one thing only, the spiritual life of the minister. The District Superintendents, who are members of the Board of Evangelism, are requested to arrange with our District Secretaries of Evangelism for such Retreats as early in the conference year as possible. It is our conviction that we will not be prepared for effective leadership in evangelism until we have experienced a greater concern for those who need the redemptive fellowship of the loving heart. Having experienced this concern, we will make an intelligent and consistent effort to win them to personal commitment to Christ.

REPORT OF THE BOARD OF TEMPERANCE

The North Carolina Methodist Conference, in session in Sanford, North Carolina, on this November 5, 1949, reaffirms its opposition to the manufacture, sale and use of alcoholic beverages. John Wesley, the Founder of Methodism, condemned the sale and use of intoxicants; and throughout her history the Methodist Church has opposed the liquor traffic.

Since the repeal of National Prohibition in 1933 and particularly since the legalization of liquor in certain areas in North Carolina in 1935, there has been continuing increase in the sale of alcoholic beverages and there has been a continuing increase in drinking, drunkenness, and the evils that are caused by liquor.

This Conference calls upon Methodists and all other persons to abstain from the use of liquor; it calls upon the voters of North Carolina to elect to the General Assembly persons who will vote against liquor, and to elect to law enforcement offices, persons who will enforce the laws against liquor.

This Conference reiterates its petition that the General Assembly of North Carolina give the people of our State the privilege of voting in a State-wide referendum for or against the manufacture and sale of alcoholic beverages.

We reaffirm our endorsement of the Allied Church League, that has been organized by the churches of North Carolina for the purpose of combatting the manufacture and sale of intoxicating liquors; and we urge all pastors and other church leaders and church members throughout our Conference to give full cooperation and support to the program and work of the Allied Church League.

Since the purpose of advertising any merchandise is to increase the sale of the same, we appeal to the publishers of newspapers and other publications to refrain from publishing advertisements of beer, wine, whiskey, and other alcoholic beverages; and we urge the General Assembly of North Carolina to enact a statute to prohibit the advertisement of all alcoholic beverages in newspapers and other publications, published in North Carolina, and to prohibit such advertisements on billboards on the highways, and at all other places in our State.

In order to aid in the development of sentiment against liquor, we urge that instruction in our public schools and in our church schools, regarding the harmful effects of alcohol, be made as effective as possible. We urge all pastors to preach often in behalf of total abstinence and we urge that the subject of temperance be given a prominent place in the program of District Conferences and all other Conferences and meetings of our Church.

The liquor traffic would destroy the Church, if it could; the Church could

destroy the liquor traffic if it would. Hence, every person, who is interested in the Church, should use his influence, his means, and his vote, against the liquor traffic. Any person, who drinks liquor, or votes to legalize liquor, or in any other manner supports the liquor traffic, should not consider himself fit or qualified to hold any office or occupy any place of leadership in the Methodist Church. Our pastors should not recommend or approve for membership on the board of stewards, or for service as an officer or teacher in the Sunday school, or for any other official position in the Church, any person, who manufactures, sells, advertises, buys, drinks, or votes for beer, wine, whiskey or any other alcoholic beverage. Our Church cannot hope to win our battle against this vicious foe of humanity by having in places of leadership persons, who patronize this nefarious business. As individuals, we Methodists should abstain absolutely from the use of alcoholic beverages. As members of society, we should vote and work to outlaw the liquor traffic. The attitude and the practice of individuals should be total abstinence. The attitude and the policy of government should be absolute prohibition. And to the achievement of total abstinence and absolute prohibition, we appeal to all Methodists and all other citizens in our country.

REPORT OF COMMITTEE ON WORLD PEACE

The most ominous element in the present world situation is the sense of helplessness that afflicts the masses of the people. We see events moving steadily toward another great war which must be more destructive than any in the past, yet feel powerless to avert such a disaster. For Christians, however to yield to such a mood of futility is a failure of faith. We are in the service of One who came to "speak peace to the nations" and who "shall not fail nor be discouraged till he have set judgment in the earth." To believe there is nothing that we can do to further His will for peace is to doubt the purpose and power of our God. We are called first of all to take courage; and to ask what we can do in this present situation to serve His will.

When we ask this in direct and practical terms we discover that peace is not primarily an international problem, but a way of living with ourselves and other people. Peace starts in the relationships immediately around us. And here at least our hands are not tied. We can today set ourselves to the task of developing brotherly relations with those in our own communities. We believe that the church can best contribute to this as it becomes itself a more real and inclusive brotherhood. In God's house all men may meet on a basis of equality as His creatures and together suppliants of His grace. The achievements of such togetherness in the church would powerfully promote peace in the community. We, therefore, call upon our congregations to address to themselves to achieving such brotherhood in their own corporate life. We suggest the following definite steps as means toward this end:

- 1. Study of the actual needs and conditions of various groups in the local community;
- 2. Intergroup projects of work and worship between churches constituted of differing economic, social, and racial groups;
- Cooperation with other agencies in the community that work for better understanding.

Learning in its own life the ways of peace, the church has a duty to interpret the meaning of these for national and international life. At the Delaware Conference in 1942 the Protestant churches undertook to do this. The conference set forth in precise and practical terms its Christian judgment as to the essential elements of a just and durable peace. The Dumbarton Oaks proposals for international organization were studied in the light of this judgment, and certain specific amendments recommended. At the San Francisco Assembly a majority of these amendments were adopted and included in the charter of the United Nations, In

this instance the church was giving clear and effective leadership to the nations in the quest for peace. Since that time, however, the church has less and less exercised its own independent judgment in international affairs and has tended once again simply to echo the voice of the nations in which it happens to live. It is imperative that the church now regain the initiative which it took in the days of the war and measure all national and international policies by the revelation of God's will given to her in Jesus Christ. We call on the councils of the church to seek anew the basic Christian insights into the ways of peace, and to interpret these in terms of actual policy for the nations.

If we do this, we may decisively influence a basic decision now facing America. Since the war our foreign policy has revolved about the problem of how to deal with an expanding Communism. To this problem two approaches have been made. One attempting to contain Communism by force or the threat of force is exemplified in the Truman Doctrine of military assistance to Greece and other such countries and in the recently-adopted Atlantic Pact. The other has been to counter the Communist revolution by undertaking to restore and expand the economy of war-stricken and undeveloped areas. This is the objective of the so-called Marshall Plan. Further efforts along this line were suggested in "Point Four" of President Truman's inaugural address; but very little has thus far been done to implement this. On the basis of results to date, we believe that the attempt to share the benefits of democracy and industrial development is the more effective way to maintain and expand freedom. In the light of history, we are convinced that military preparations in themselves can have no result except increasing tensions and eventual conflict. We, therefore, call upon our people to exert their influence to the end that the main line of our nation's policy be that of sharing with all men everywhere the freedom and the technological advantages we enjoy. And we urge them to prepare themselves for the sacrifices that may be involved in such an effort.

Here, too, the church must make its own witness by continuing and more adequately supporting efforts to share the good life through the missionary enterprise and the relief agencies of the churches.

To promote these purposes the Committee on World Peace proposes during the coming year to cooperate with local congregations in holding week-end peace institutes and in providing homes and opportunities for displaced persons. According to reports made to the committee, the churches of our conference have this year provided homes for 14 displaced persons families, including a total of 50 people.

REPORT OF THE METHODIST BOARD OF PUBLICATION, Inc.

The Methodist Board of Publication, Incorporated, is a board of trustees elected by the North Carolina Conference and the Western North Carolina Conference. The chief function of the Board is to publish the North Carolina Christian Advocate, the official news-magazine of the two Conferences. The Board also operates a printing plant which, in addition to publishing the North Carolina Christian Advocate, during the past year grossed \$53,826.79 from job work. The printing plant, located at 429 West Gaston Street, Greensboro, according to the audit of Lindsey, Squires and Everett dated August 31, 1949, is valued at \$58,398.94. Current and other assets total \$32,722.44 and liabilities amount to \$2,420.95. The total net worth of the Corporation is \$88,899.43. With a gross revenue of \$80,651.56, the net profit from the fiscal year ending August 31, 1949, totaled \$6.085.61.

The Board also owns and controls through the fiscal agency of the Wachovia Bank and Trust Company, Winston-Salem, N. C., an endowment fund which now amounts to \$51,560.76. Contributions to the endowment fund received during the year were as follows:

Morehead Circuit\$	5.00
Rev. and Mrs. J. W. Kennedy	5.00
Wrenn Memorial Fund 10	00.00
Sale of War Stamps	
_	
Total Cash	23.25

George D. Finch \$1,000 U. S. Savings Bond (T. J. Finch Memorial now \$4,000.)

Income from subscriptions during the year amounted to \$22,601, which is \$1,063 over last year. The circulation of the Advocate through the year averaged approximately 13,500. The extremely good year in income from job work enabled the Corporation to absorb a loss of several thousand dollars in the publication of the Advocate and to purchase a new job press. The Board plans to replace as soon as finances permit some of the printing equipment which has become inefficient and obsolete with more efficient and more modern equipment.

The Board feels keenly the importance of reaching more of our Methodist homes with the North Carolina Christian Advocate. It, therefore, recommends that

the quota of seven new and renewal subscribers for every 100 members be continued and that every charge seek to reach its quota. It wishes to lay particular stress, however, on an effort to reach all the officials of the local church. It strongly urges the two Conferences to endorse and actively support a systematic plan to place the Advocate in the home of every steward, trustee, officer and teacher in the church school, officer of the Woman's Society of Christian Service, and other persons having official responsibility in the local church. It earnestly pleads for the wholehearted support of every agency of the church to help achieve this goal during the next Conference year.

In December 1948, Dr. H. C. Sprinkle, Jr., resigned as editor and business manager to accept a position as associate editor of World Outlook. On December 30, 1948, the Board elected Rev. C. W. Robbins, a member of the North Carolina Conference, who took over as editor and business manager February 1, 1949. Also during the year Dr. S. B. Turrentine, a member of the Board, died, and at the annual meeting of the Board, September 14, 1949, Rev. Wilson O. Weldon was elected to complete the unexpired term of Dr. Turrentine. It also nominated John W. Hackney whose term expires this year to succeed himself for a new term of five years; and Dr. H. G. Allen to serve a term of five years filling the vacancy created by the resignation of Rev. J. W. Moore. The Board requests the election of Mr. Hackney and Dr. Allen by their respective Conferences.

The following officers were re-elected: A. J. Hobbs, president; N. L. Eure, vice-president; T. C. Hoyle, Sr., secretary; and Rev. C. W. Robbins, editor and business manager.

REPORT NO. 1-COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work has sought to promote the interests of the town and country churches of the conference through the following procedures:

- 1. The Commission on Town and Country Work has been carefully organized and an executive committee formed. During the year the executive committee has held two meetings and the whole Commission has held one meeting;
- 2. The promotion of the J. M. Ormond Fund has been pursued and indications are that the set goal of \$50,000 will be realized;

3. In view of the increase in the income of the Sustentation Fund, our Commission has recommended to the Board of Missions and Church Extension that the minimum salary for pastors be as follows:

Unmarried ministers \$2,000.00
Married ministers without children \$2,200.00
Married ministers with one dependent child or more \$2,400.00

- 4. For the promotion of Christian stewardship and for the strengthening of the financial resources of the town and country churches, the plans known as "The Lord's Acre" and the "Harvest Day Service" have been encouraged throughout the conference:
- 5. In the field of rural research some progress has been made but this work is yet in its initial stage;
- 6. The Rural Parsonage Committee is continuing its efforts to improve the homes of pastoral families;
- 7. In cooperation with a request from the Home Division of the general Board of Missions and Church Extension relative to Displaced Persons, the Commission on Town and Country Work of the North Carolina Conference is recommending that each district place as many as possible of the Displaced Persons. It is recommended that the responsibility for seeing that this project is carried out be placed with the District Superintendent and the clerical member of the Commission on Town and Country Work of each district;
- 8. The policy of certain charges in assisting pastors with car expense is noted with appreciation and it is hoped that this practice will be adopted by an increasing number of charges;
- 9. The matter of church extension is not a new one, but one which now needs a more comprehensive approach in our conference. An adequate program of rural church extension is an urgent need and the need will be all the greater as the new state program for rural roads and schools afters the sociological orientation of many neighborhoods and communities.

Recognizing the obvious need, this Commission seeks full cooperation of the District Superintendents who, are ex-officio members of this Commission, and the North Carolina Conference Woman's Society of Christian Service to make an earnest endeavor to initiate a program which will place at least one full time rural worker in each district in the Conference. For concrete examples of needs, see 1, 11, 111, of report No. 2.

10. The Commission on World Service and Finance is requested to appropriate the amount of \$750.00 for the general work of the Town and Country Commission for the new conference year.

11. In accordance with the requirement of the 1948 Discipline, we request that the Conference elect and the Bishop appoint Rev. J. D. A. Autry as Conference Secretary of Town and Country Work, to serve without salary but with such expense allowance as the Commission on Town and Country Work may determine.

KEY, W. TAYLOR, Chairman

REPORT NO. 2-COMMISSION ON TOWN AND COUNTRY WORK

The matter of church extension is not a new one, but one which now needs a more comprehensive approach in our conference. This report by definition concerns itself with church extension in rural, town, and unincorparted surburban areas.

Ţ

In the rural areas there are a number of closed churches, with the buildings yet usable. It is possible in some instances to reopen these churches. The Macedonia church on the Ayden charge is an illustration of such achievement.

2. In the rural areas there are a number of churches which are very weak numerically and which will probably close their doors in due course. With special

attention, in many of these churches decline can be turned into growth. The Bethel charge is an example of such accomplishment.

3. In the rural areas there are many communities which are unchurched and in which generations are growing up without religious training. Into these communities the Methodist Church should go immediately. Monk Memorial church on the Farmville charge is an example of wise investment of time and money to establish a church in a formerly unchurched community.

TT

In most of the towns of the conference there are Methodist churches. We have, however, unfortunately abandoned some town churches in recent years. Winterville is an example of such. There are some new towns, such as Havelock, which require immediate attention that transplanted populations may be adequately served by the church. There are some older towns without Methodist churches into which we should probably go, after carefully determining that we would not be causing unjustifiable denominational overlapping.

It might properly be noted here that the subject of the town church was given study by the recent "Conference on the Town Church" meeting at Lynchburg, Virginia, which was sponsored by the Department of Town and Country Work of

the general Board of Missions and Church Extension.

TTT

For many years there has been an overflow of population from rural to urban areas. New communities are growing up on and adjacent to the highways leading from our small cities, and in other suburban extensions. The Methodist Church has a pressing responsibility in doing its part to see that these communities are praperly churched. The proposed church in the outskirts of Wilson is one case in which prompt action is being taken to meet the religious needs of new community development.

IV

The time has fully come for the North Carolina Conference of the Methodist Church to formulate a policy and a well supported program of rural, urban, and suburban church extension. In this connection the Town and Country Commission has made specific recommendations to the proper Boards of the Conference.

It is the view of the Town and Country Commission that any conference-wide policy and program on church extension should be preceded by and undergirded with an adequate work of research which would indicate birth rates and population trends, analyze significant sociological factors, and otherwise properly establish needs

KEY W. TAYLOR, Chairman J. D. A. AUTRY, Secretary

REPORT NO. 3-COMMISSION ON TOWN AND COUNTRY WORK

Parsonage Committee Report

At its 1948 session, the Conference adopted the following minimum standards to be expected of each parsonage in the Conference.:

1. Be equipped with running water and sewage disposal;

2. Be completely screened with screens in good condition;

3. Be underpinned;

4. Exterior be painted at least one every five years.

During the year the Committee on Parsonages has undertaken to encourage those charges which did not meet these standards to make the needed improvements. To secure information on improvements, 255 supplementary questionnaires were sent out. From these, 154 replies were received. On the basis of these replies we show the following improvements during this conference year:

28 new parsonages have been built and one completely rebuilt;

8 charges have installed running water and sewage disposal, leaving according to our records 8 parsonages which do not now meet this standard;

17 parsonages have been completely screened, leaving 68 incompletely screened;

13 have been underpinned, leaving 66 falling below this standard;

26 exteriors have been painted, leaving 75 which have not been painted in the past 5 years.

The number of parsonages which have been improved to meet all minimum standards during the year is 23. One hundred twenty-two parsonages still fall below one or more of the minimum standards. Our records show six charges which have no parsonage.

We recommend that the minimum standards adopted at the last session be continued for the coming conference year, and that the Conference Parsonage Committee, in cooperation with other conference agencies continue its efforts to secure improvements. We recommend also that the additional recommendations contained in report Number 2 of the Rural Church Planning Committee to the 1948 session be reaffirmed.

The Methodist ininerant system presupposes the moving of pastors from one charge to another. This moving involves an expense which, over a period of years, may be a serious financial burden to some of our pastors. We therefore recommend that the chairman of the Conference appoint a pecial committee to study possible plans for so distributing the expense of moving that it will not be a burden to some of our pastors, and to report to the 1950 session. We request that there be included on this committee one representative of the Conference Committee on Parsonages, and one of the Commission on World Service and Finance.

Auditor's Report-Commission on Town and Country Work

November 2, 1949

To Mr. C. W. Goldston, Treasurer, Commission on Town and Country Work, The North Carolina Conference of the Methodist Church, Goldsboro, North Carolina.

Dear Sir:

Pursuant to your request we have audited the treasurer's books and all other available records of the Commission on Town and Country Work for the fiscal year ended October 31, 1949. As a result thereof we submit the following statements making up our report:

EXHIBIT A—Statement of receipts and disbursements, all funds, for the fiscal year ended October 31, 1949.

EXHIBIT B-Bank reconciliation, October 26, 1949.

Subject to the fact that due to press of time the bank confirmation was received on October 26, 1949, instead of the end of the month, in our opinion, the foregoing statements fairly present the financial transactions of the treasurer for the fiscal year ended October 31, 1949, and the financial position as of that date.

Respectfully submitted,

FRANK L. GREATHOUSE & CO. By: JAMES C. CRONE, C. P. A.

REPORT OF INTER-BOARD COUNCIL

This is our first year as an Inter-Board Council, and we are attempting to feel our way. Therefore, we are confining our efforts largely to ascertaining the pro-

grams of the different Boards and expressing our approval of certain programs that they have presented.

We are especially grateful for the action of our Board of Education in adding to the staff a Director of Family Life Education. We believe that this will be the first Conference in the Methodist Church to have such a Director.

We approve the proposed sustaining fund for colleges, feeling that our educational institutions very badly need this help.

We heartily endorse the recommendation made concerning Camp Don-Lee, asking each church to accept an amount equal to one-half its World Service Acceptance for one year, to be paid over a period of four years, as much as one-fourth each year.

We approve the recommendation of the Town and Country Work Commission for the proposed minimum salaries for ministers, namely, \$2,000 for single ministers, \$2,200 for married ministers without dependent children, and \$2,400 for ministers having one or more dependent children.

We approve efforts being made to meet the needs of Fairmont church in Raleigh and College Place church in Greensboro in ministering to our college students

We approve cooperating with the effort being made to erect a children's building at Lake Junaluska.

In hearing reports from various Boards, we are impressed with the necessity our Conference faces to cooperate with the Board of Missions and Church Extension in trying to answer the challenge to erect new churches in the vast totally unchurched areas in our State.

Respectfully submitted,

T. M. GRANT, Chairman

BOARD OF MANAGERS OF PASTORS' SCHOOL

It will be of interest to the conference to learn that the Pastors' School, although held as an integral part of the Christian Convocation, has assumed the entire responsibility for the teaching functions of the Convocation. At the summer session of 1949 courses were given in Religious Education, the Vacation Church School, Evangelism, Pastoral Counseling, Rural Church Work, the Philosophy of Religion, and other phases of church work. Among the teachers were Dr. E. S. Brightman, Dr. Russell Dicks, Mrs. W. W. Reed, Dr. James Sells, Dr. Walter Towner, Dr. Thomas A. Tripp, and Dr. A. J. Walton, and others. Workshops and Seminars were held in conection with these courses.

Morning devotions were conducted by Bishops Costen J. Harrell and W. W. Peele.

Each evening Dr. R. J. McCracken of Riverside church, New York, preached in the Chapel and each morning lectures were given by Dr. William Pauck of Chicago. Mr. Dean Alfange, Dr. Calvin Hoover and Dr. Donald A. Andrews gave lectures on present conditions of world affairs.

Peverend Thomas McM. Grant, Secretary North Carolina Conference Rocky Mount, North Carolina Dear Sir:

We have audited the books and financial records of Mr. C. A. In our opinion, this report, copy of which is enclosed herewith, correctly shows all receipts properly classified for the various causes during the period. The dis-

bursements as shown were made in accordance with the apportionments for World Service and Conference Benevolences as recommended by the Commission on World Service and Finance, and the balances of unexpended funds at November 30, 1949, are correctly stated.

Respectfully submitted,

REPORT OF MAMIEJ CHANDLER, STUDENT COUNSELOR

Methodist Student Center, Greenville, N. C.

August, 1949

The hand of God has been clearly manifest in the guidance of our program this past year. We have gone forward and established our work on surer foundations in spite of unusual circumstances and many obstacles. There has developed a better understanding of our student program and a larger support on the part of the local church, greater appreciation and cooperation from the college administration and a developing leadership on the part of our students.

Early last year plans were completed for the purchase of a house and lot, situated at 501 East Fifth Street, Greenville, N. C., just across from the college campus on a prominent corner. By the first of March this past year, the tenants in the two apartment rooms had moved and we had established our Student Center in the first floor of the house. Besides a large living room, we now have a combination music and game room, a "coffee room," and a large kitchen. We also have two bedrooms and a private study for the counselor. The study affords opportunity for uninterrupted personal conferences with students, and the additional space makes possible an expanding program for our students.

Our local Woman's Society of Christian Service cooperated with the local committee in providing hostesses to keep the Student Center open every day the first two months of the fall quarter, while the counselor was absent on account of illness. The WSCS circles have furnished supplies every month for the "Snack Shelf," members have visited the Center and shown an increasing interest in the entire program. Our pastor, Rev. Leon Russell, who came to Jarvis Memorial church at the beginning of the Conference year, in November, is giving splendid leadership to our student program and offering every opportunity to our students to participate in the program of the local church. He makes our students feel that they are a part of the local church. He makes frequent visits to the Student Center and gives personal leadership in discussion groups. In cooperation with the pastor our Wesley Foundation gave an Advent service in the church on Sunday evening just before Christmas holidays.

The college administration is taking an active interest in making religion a vital force in campus life. President J. D. Messick called several meetings of the pastors and the directors of the various church student programs with college officials to consider and work out plans of cooperation in making religion more meaningful in the lives of our students and bringing them into active participation in the churches of the community. The administration officials are all active members in the local churches. The church student groups were invited for the first time to participate on an equal basis with the YWCA and YMCA in the observance of Religious Emphasis Week on campus. Our group was given the responsibility for the discussion on "Science and Religion." One of our students was convenor and Mr. Wyatt Brown, member of our local church, was leader of this group. He was assisted by several members of the college faculty and our pastor as resource persons.

A series of discussions on "Our Faith" was held at the Student Center on Sunday evenings. These were informal discussions on the great religions of the world, Christianity, and the basic beliefs of Methodists. Leaders were members of the College faculty, our pastor and laymen from our local church. The student class in the church school on Sunday morning was taught by leaders from the local church, members of the college faculty, and the student counselor.

During Lent, weekly broadcasts were given over our local radio station, WGTC. Fifteen students, eight women and seven men, participated in these "Lenten Meditations for College Students." The concluding program of the series was a play for Holy Week, published in the "International Journal of Religious Education." Earlier in the year, a dramatic adaption for radio of the story of "The Other Wise Man," was written by one of our students and presented over WGTC under his direction. Every Wednesday during Lent a small group of students met for prayer from 7:30 to 7:45 in the morning at the Student Center.

Officers for the Wesley Foundation were elected in March at the time of the regular student elections on campus. A Retreat was held at the Church for this newly elected Council on May 2, from 6:00 to 10:00 p.m. Supper was served by the local WSCS. The Wesley Foundation Council was commissioned by the pastor at the morning service in the church on Sunday, May 8.

Since her return to the Student Center, November 1, the counselor has held 689 personal conferences with students through which guidance has been given in personality adjustment, solving personal problems, the clarification of religious beliefs, and an understanding of the Christian way of life.

Two hundred ninty-five students have made a total of $6{,}025$ visits to the Student Center during the past year.

During the summer, the Center was made ready for the opening of college in the fall. Several rooms, back and front porches were painted, floors sanded, and the rooms rearranged with some furnishings added. The Center is now a more attractive place and more adequate to our program.

The experience of the past year have brought to your counselor a deeper conviction that God has commissioned us to carry on his program for our students at East Carolina Teachers College, and that we should go forward into the coming year with greater faith, renewed courage and an ever-deepening surrender of ourselves to Christ our Lord.

REPORT OF INSURANCE COMMITTEE

North Carolina Conference The Methodist Church Sanford, North Carolina October 24, 1949

Your committee appointed to study group insurance and the adequate support of the ministry reports that it has been impossible to complete the study and consideration required of it and to report prior to September 15, 1949.

The matters committed to the committee are quite complicated and require most careful study. Representatives of six companies have submitted insurance proposals to the committee and have met with the committee.

Your committee recommends that further study be authorized and the committee be continued for another year,

RESOLUTIONS

THANKS FOR CONFERENCE ENTERTAINMENT

This session of our Annual Conference has reached the high water mark of inspiration and delightfulness. We are highly indebted to Steele Street church, its thoughtful pastor, the officials, and the entire congregation, the musicians, and all others who have helped them make us feel at home and comfortable while in this hospitable community. We would also like to record or grateful appreciation for all that Jonesboro Heights church and other churches in the city and surrounding area have done to make our stay pleasant. We would not forget those who made available to us "an apple a day." The city of Sanford itself has seemed to take delight in putting out the welcome mat and doing all that seemed possible to give assistance where most needed. We record our hearty thanks to the mayor, the police force, the Chamber of Commerce. the Boy Scouts, the High School Glee Club, the schools, churches, and the homes of the community who have cared for our every need. The newspapers have used the printed page to inform the public of our proceedings, and the radio has with magic fingers flung the message of light and love out over the air to distant listeners, and we are grateful for this full measure of cooperation. We are happy over the work of the program committee and thank them and the visiting speakers they have broughtespecially Bishop Hazen Werner, Dr. Roy L. Smith, Dr. Mark Depp, and Senator

Clyde R. Hoey. We were inspired by the Circuit Riders and their songs. The Publishing House they represent has been serving the conference well at this session of the conference and through the year. They and others appearing on our program have made this one of the most inspirational conferences it has been our privilege to attend. Our genial, brotherly Bishop Peele has presided with efficiency and patience, and we are grateful for his wise leadership. We would not close these resolutions without gratefully acknowledging our unpayable debt to Almighty God who has not only furnished us with perfect weather for our conference sessions but also with his brooding Spirit that has lifted us out of the lower levels of secular thinking to the heights of Christian inspiration and dedication to the service of Christ in whose name we have gathered.

Respectfully submitted,

A. S. PARKER F. D. HEDDEN KERN ORMOND L. A. WATTS R. L. JEROME

GRATITUDE FOR DUKE ENDOWMENT

In 1924 Mr. James B. Duke wrote the indenture creating the Duke Endowment and beginning twenty-five years of wise and well-managed benevolence. In addition to its benefactions through educational institutions, orphanages and hospitals, the Endowment has directly served the Methodist conferences of North Carolina in three ways. Today, all over the state, in villages and open country, there stand 670 churches whose building was assisted by this fund. In these churches, and out into the lives of the people, scores of pastors carry the Christian interpretation of life. Many of them are supported in this ministry by contributions from the Endowment. Because of it the closing years of our superannuates are measurably more secure and serene. One of the cardinal principles of our faith is that material things should be so used as to minister to spiritual enrichment. With sincere appreciation we record our belief that in its first quarter century the Duke Endowment has exemplified this principle in significant and far-reaching way, and our confident expectation that it will continue to do so for many years to come.

BLUE RIDGE-ATLANTIC CONFERENCE, Inc.

Whereas, under the merger of the Methodist Episcopal Church, the Methodist Episcopal Church, South, and the Methodist Protestant Church, all of the property and assets of the three organizations became the property of The Methodist Church, and

Whereas, the territory formerly covered by in included in the Blue Ridge-Atlantic Conference, Inc., a North Carolina corporation of the Methodist Episcopal Church, is now covered by and included in the North Carolina Conference and the Western North Carolina Conference of The Methodist Church, and there is therefore no further nood for the existence of the said Blue Ridge-Atlantic Conference, Inc.,

Now, therefore, be it resolved, by the North Carolina Conference, the Western North Carolina Conference concurring, that the Secretary of State of the State of North Carolina be, and he is hereby requested to discontinue or dissolve by proper procedure, the said Blue Ridge-Atlantic Conference, Inc.

METHODIST STUDENT CENTER AT DUKE UNIVERSITY

Whereas The Methodist Student Movement has made splendid progress on the Duke University campus during the three years it has had the leadership of a full-time chaplain, supported in part by the North Carolina and Western North Carolina Annual Conferences, and.

Whereas the Methodist churches in Durham are not available by location or available facilities to offer a permanent Student Center for the Methodist students

in Duke University, and,

Whereas the North Carolina and the Western North Carolina Conferences have provided substantial assistance in the purchase and construction of Student Centers at Chapel Hill; College Place, Greensboro; Fairmont, Raleigh; and at East Carolina Teachers College in Greenville;

Be it therefore resolved, that the North Carolina Conference approve in principle the project of buying or constructing a Methodist Student Center for the use of Duke University students, and that the conference refer this resolution to the appropriate Inter-Conference Commission or Committee with the request that such group submit to the North Carolina Annual Conference and the Western North Carolina Annual Conference at their 1950 sessions a plan whereby the two annual conferences might contribute to the cost of securing an adequate Student Center at Duke University.

Memoirs

JAMES CARSON WHEDBEE

By A. J. Hobbs

His parishioners continued to remember him for years and years after he had served among them. They remembered him easily because they loved him, respected him, and appreciated him. They knew him as a true servant of God and the church, as a beloved pastor and preacher. And he was their friend and confidant.

That was James Carson Whedbee, son of W. H. and Georgianna Onley Whedbee, born May 9, 1878, in the Harvey's Neck section of Perquimans County, North Carolina. When the Master laid his hand upon him, the young man yielded to the plan which had been so divinely revealed. It was also a call to prepare for the long period of service he was destined to give to the church he loved so much. After completing four years of study in the Trinity Park School, 1901 to 1905, he assumed the pastorate of the New River Mission and served as a supply during the conference year 1905-1906. At the 1906 session of the conference in Rocky Mount Brother Whedbee was admitted on trial. For forty-two years he gave himself without stint to the task which to him was supreme—the preaching of the gospel and serving his people as a beloved and understanding pastor. He was my pastor when I was still a student preparing for the ministry. I enjoyed his preaching and his friendly and helpful counsel. Especially do I remember the power and the beauty and the inspiration of his sermons on many of the great heroes of the Old Testament.

He was a good preacher, who sought rightly to divide the word of truth. He was a rugged individualist of positive convictions. He had a wholesome sense of humor which made for congenial companionship. The seeds of the gospel which he planted in the lives of thousands of people have sprung up to a good harvest and will continue to bear fruit. So, in death, he still lives.

The long period of Christian activity found him serving the following charges: Jacksonville-Richlands, Swansboro, Burgaw, Belhaven, North Gates, Brooksdale, Southport, Oriental, Faison, Ellerbe, Rowland, Benson, Four Oaks, Shallotte, Scotts Hill, and Pinetops.

It was my privilege to be his superintendent during the final year of his pastoral labors. His people of the Pinetops Charge never got around to thinking of him as an old man. Rather, they loved him and followed him gladly as he sought to lift up the Christ and challenge his hearers to an acceptance of the Christian way. No quadrennium of his faithful ministry was more successful. In 1948, when illness overtook him, he was hardly willing to take the rest so richly deserved; and he continued his labors to the end of the conference year. At the Greenville Conference of 1948 he was granted the retired relation. Moving to Sumter, South Carolina, to live in his little home near his daughter, he planned to rest for a while. But the sojourn was not to last very long. On December 4, 1948, he received his final appointment, being transferred to that Home for which he had made his complete preparation.

Surviving Brother Whedbee are his widow, the former Julia Ward of Onslow County, to whom he was married December 26, 1907; a daughter, Mrs. J. W. Gaddy, Sumter, S. C.; a son, James Carson, Jr., of Cerro Gordo, N. C.; five granddaughters; two brothers; and two sisters.

The testimony of his beloved companion of the years is an inspiration: "During the forty-one years of our life together I never knew him to start the day without first reading from God's Word and praying for guidance. As he grew older, he read the Bible more and more. It was his constant companion and his one sure hope of eternal life. He was a good husband, a good father, and wonderful man to the one who lived closest to him."

Funeral services were held from the Shelley-Brunson Funeral Home in Sumter, S. C., on December 6, 1948, by A. J. Hobbs, Dr. T. M. Grant, and Dr. Bryce Herbert. Interment was in the cemetery in the city of Sumter.

JUNIUS ARTHUR MARTIN

By H. I. Glass

Not frequently we experience a sense of the inadequacy of words. Probably at no time is this sense more deeply written in our consciousness than when we undertake, even in some measure, the portrayal of the life of a good man. If this person be a friend, this sense is but deepened thereby.

Junius Arthur Martin was born in Bellefield, Virginia, on April 2, 1882, the son of Junius McKendree and Martha Crump Martin. His family moved to Milwaukee, North Carolina, during his early childhood, where he continued to live until he joined the North Carolina Conference. He was an alumnus of Shenandoah College, of Dayton, Virginia, from which institution he was graduated in 1907.

Brother Martin joined the North Carolina Conference in Durham on December 10, 1908. His entire ministry was spent in our Conference. His service extended to the following charges: Plymouth, Hatteras, Chowan, Moyock, Leasburg, Durham—Branson, Mount Gilead, West Durham, Enfield Circuit, Enfield, Warrenton, Troy, Whiteville, Durham—Carr Memorial, Graham, West Burlington, Tar River Circuit, Erwin.

On January 13, 1909, "J. A." was most happily married to Miss Jeanette Draper, of Conway, North Carolina. Of this union one son was born, James Marion Martin. Rarely, if ever, does one find a more beautiful home lite that was to be found in this home. Deep and unfaltering devotion and a oneness in service were its glowing characteristics. This unity of spirit found expression in all of life.

So often, too often, it happens that our acquaintance with other members of our Conference is of a Conference rather than of a personal nature. It was my privilege to have something of a personal knowledge of "J. A." During his pastorate in Mount Gilead it was my privilege to spend a week in his home, the occasion being the sharing of a series of revival services. It was here that I came to know him, appreciate his home life, and his service to his people. Too, I knew him for five years as his district superintendent. In all of this our fellowship was joyous and limited only by the completion of the things to be done.

J. A. Martin was without guile. He belonged to that company of Christian gentlemen. To know him only casually was to fail to appreciate his worth. His loyalty to his friends was unfailing. In his work be was devoted, capable and effective. He believed his work was worth doing, and worth doing well. He loved his people, and they loved him, which is but to say that he was a great pastor. I am fully persuaded that there will be many in the judgment who will rise up and call him blessed.

Brother Martin retired from the active ministry in 1944. With the exception of one year, which was spent in Oak Ridge, North Carolina, he spent the remainder of his life in Whiteville, North Carolina. He was an invalid for four years, critically ill for four days. He passed to his reward on March 12, 1949. The funeral service was conducted at McKenzie Chapel, in Whiteville, by Rev. C. D. Barclift, his district superintendent, and Rev. D. A. Clarke, his pastor. Interment was in the Whiteville cemetery. He is survived by his wife and son, both of whom live in Whiteville.

We ever mourn the going of the good, those who have made us better, and the world a better place in which to live J. A. Martin, however will continue to live among us, because goodness is immortal, even here. We know that he has received life's supreme reward, that of the commendation of our Heavenly Father, and the entrance into His joy. May the blessings of God abide always upon those who sorrow most.

"The comrade that once marched with me, Or dared adventure keen, My spirit's comrade still shall be Though silence intervene.

The friend with whom I once have shared Some banquet of the soul Can never from my heart be spared Though seas between us roll.

This lasting quality of love
A part I take to be
Of that safe treasure laid above—
And—immortality."

JAMES MARVIN CULBRETH

By Robert W. Bradshaw

A man of God has come our way—walking with Him, walking with us—moving ever along the Way that was to lead to the Home prepared by Him for those who walk with Him and for Him.

James Marvin Culbreth began his "walk" when he was born in Raleigh, January 13, 1880, to Dr. Bernice B. Culbreth and Sarah McGee Culbreth. An aunt, Sarah Elizabeth Culbreth, took the place of the mother in the home when the latter died in 1886. He prepared for his ministry at Trinity College, now Duke University, (A.B. 1900), Yale School of Religion, Vanderbilt School of Religion (B.D., 1908) Central College (M.A., 1924). Southwestern University, Texas, conferred the degree of Doctor of Divinity in 1930.

In December, 1908, Miss Clara Bessie Trawick, daughter of Dr. A. M. Trawick of Nashville, Tennessee, became his "companion of the Way," to which union were born Ada Rebecca, now Mrs. N. P. Finney, Brent-

wood, Tennessee; Sarah Elizabeth, now Mrs. L. J. Flemister, Swarthmore, Pa.; Marvin Trawick, Blowing Rock, N. C.; and George Bernice, Canton, N. C. Mrs. Culbreth died in February, 1917, and on September 28, 1922, Miss Ada Trawick became his companion and a "mother" to the children. She, with the children, survive him.

In his ministry along the Way he served Epworth (now Trinity) church, Raleigh; Smithfield; as assistant secretary, Epworth League Board, Nashville, Tennessee; University church and Cubanne church, St. Louis, in the St. Louis Conference; Fayette, Missouri, in the Missouri Conference; as secretary of student work, Board of Education, Nashville, Tennessee, in which position he was assigned to establish and develop the work of the Wesley Foundation in State-owned schools; West Durham (acw Asbury); First church, Henderson; Presiding Elder, Rocky Mount District; University church, Chapel Hill; and Louisburg.

In May, 1948, Dr. Culbreth suffered a serious heart attack which incapacitated him for duty until September, Resuming his work he filled his pulpit and was diligent in pastoral work to the end of the conference year. Realizing that he could no longer carry on the work of the pastorate, he took the retirement status November 5, 1948, at the Conference in Greenville. A short time afterwards he went to live near his daughter, Mrs. Finney, in Brentwood, Tennessee, where only five months of earthly life remained for him. Another heart attack in March necessitated his being moved quickly to Vanderbilt Hospital, Nashville, Tennessee, where he passed away, March 29, 1949, A memorial service was held in Brentwood, Tennessee, April 1, 1949, with the committal in Greenwood Cemetery, Clarksville, Tennessee.

"To the very last, he was the gentle, gracious, effective evangelist." These words of a loved one, describing the closing days and hours of his rich, full life, give the secret of the power that drew men to Marvin Culbreth, and better, drew men, through him, to the Christ he was ever serving. To him God was real, the things of the Spirit were the realities of life, to walk as in the presence of and under the leading of God was the natural walk for one who recognized his relationship as a child of God. It was this awareness of the Eternal in life that made him so live that his preacher son could say of him: "... one who lived with great expectations. He was always young. He was always keenly alert to the past, present, and future happenings of this world and the next. He felt a divine imperative to grow!"

On the Way he served his church well. In the pastorate and in the presiding eldership he blessed his people and his preachers by his stirring spiritual messages and by his brotherly, loving spirit. He was called to special service with the Epworth League Board and with the Department of Student Work with the Board of Education, and in each of these fields made a great contribution to the ongoing and expanding program of the Methodist Church. He served well because he loved God and loved his calling as a minister of God. This was reflected in words spoken to the Conference in his message at the last session of the North Carolina Conference. "For five generations of direct descent there has been at least one Culbreth preaching in the Methodist Church in North Carolina. Their years of service total more than two hundred. If I had two hundred years and five lives to give, I would gladly give all to the service of my Lord."

Since he had walked so intimately with Him along the Way it was

only natural that the Home-going would be a time of glorious realization—the receiving of the crown prepared for those who serve faithfully and well. In his last months he had written a little treatise, "A Glimpse into the Future Life," that depicts so clearly how strong was his faith, how deep was his understanding. The memorial service held at Johnson's Chapel Methodist Church, Brentwood, Tennessee, which was planned by Dr. Culbreth, was described by many as a Sacrament—in that there was a Presence, as of the Risen Christ, felt by those in attendance. The whole service centered upon life. The ministers could speak of nothing but life. The congregation stood and sang triumphantly with the family leading in the singing, two of the great hymns of the church—"All Hail the Power of Jesus' Name" and "Lead on, O King Eternal."

Henceforth there is laid up for him a crown of righteousness, which the Lord has given him at that day; henceforth there will be on our minds and in our hearts the spirit of one who has gloriously walked with Him and to Him, and has pointed the Way for us both by word and by life.

"Since so it is, and in
That face, for me, forever
Perfect beauty burns to birth.
How can my soul but worship Him
As Saviour and as Lord!"

FRANK BELTON JOYNER

By E. R. Clegg and W. L. Clegg

Frank Belton Joyner will be remembered in the North Carolina Conference not by the number of years he served, but by the impact of his genial personality, his consecrated life, his winsome preaching and his effective work.

Brother Joyner was born in a Methodist parsonage home October 12, 1901, at Spring Hope, the son of Rev. Lemon H. Joyner and Myla Pipin Joyner. After a lingering illness he died at Siler City May 15, 1949. Funeral services were conducted in First Methodist Church, Siler City, North Carolina, by Rev. E. R. Clegg, assisted by Rev. W. L. Clegg and Rev. H. R. Ashmore. His weary and sick-worn body was laid to rest in the cemetery at Siler City. Large numbers of members of churches he had served along with many of his brethern in the ministry gathered to pay their tribute. A part of the service consisted of the ministers present reading in unison a favorite Psalm.

Brother Joyner is survived by his wife; two daughters, Mary Beth and Peggy Ann; one son, Frank Belton, Jr.; his father, an honored retired member of the North Carolina Conference, and mother, of Jonesboro Heights, Sanford; two sisters, Mrs. C. A. Godfrey of Jonesboro Heights, Sanford, and Mrs. P. B. Hardee of Durham, N. C.; and one biother, Paul W. Joyner of Fayetteville, N. C.

Brother Joyner's home-going was not unexpected. Five months before his death he took the retired relationship (November, 1948) because of illness. During the last year of his active relation in the conference he was desperately sick.

Born in the home of a Methodist preacher and his devoted wife, it was not surprising that a youth of Brother Joyner's disposition and ability

would hear and heed the call to preach. He had joined the church while a lad of fourteen. In the autumn of 1920 he entered Trinity College, now Duke University, and was graduated with his class in 1924. To further prepare himself for the ministry, he attended Boston University during 1925 and 1926, and also spent the summer of 1925 studying at Garrett Biblical Institute.

On September 1, 1926, Brother Joyner and a college classmate at Trinity College, Mary Wilkinson, were united in marriage. The home they established was an example of Christian living in every community in which they resided. One of the three children born to this union, Mary Beth, is now in full time Christian service. The other two children, Peggy Ann and Frank Belton, Jr., are continuing their school work at home in Siler City.

Brother Joyner was admitted on trial in the North Carolina Conference at the session held in Durham in November, 1926. At this session of the conference he was ordained deacon by Bishop Edwin D. Mouzon, and at the session in Henderson in 1930 Bishop Mouzon ordained him elder and he was received in full connection. His appointments were as follows: Kenly 1926-28; Cary-Apex 1928-32; Faison 1932-36; Chadbourn 1936-38; Fairmont (Wilmington District) 1938-42; Siler City 1942 until his retirement in 1948.

Although his ministry was cut short at the early age of forty-seven, not many men have had a greater or more wholesome ministry than Frank Belton Joyner. In addition to his preparation and consecration, he also possessed a keen insight snarpened by a ready wit. Not long before he was incapacitated by illness, he preached at a session of the Fayetteville District Conference. An observation made by a veteran preacher at that time that "Joyner's preaching tugs at your heart" aptly described the type of preacher he was. Not only was he a good preacher, but also the records of every charge he served reveal that in adding people to the church and in carrying on the whole program of his church he was eminently successful. He found a ready response from the people he served and was devotedly loved and appreciated by his brethren in the ministry. When his retirement from active service was approaching, the good people of Siler City erected a home for retired preachers and made arrangements from Brother Joyner and his family to occupy it. The total impact of his life and ministry was such that family, parishioners, and brethren in the ministry were helped and inspired.

"Thou would'st not alone
Be saved, my Father . . . Alone
Conquer and come to thy goal,
Leaving the rest in the wild;
Still thou turnedst, and still
Gavest the weary thy hand.
Therefore to thee it was given
Many to save with thyself;
And at the end of the day
O Faithful Shepherd to come
Bringing thy sheep in thy hand."

JOHN WILLIAM POTTER

By Robert W. Bradshaw

"I think Mr. Potter must look like Jesus looked when He was here on earth." Thus spoke a little girl to her cottage mother as she saw Mr. Potter walking across the Methodist Orphanage grounds one day while he was pastor of Jenkins Memorial church in Raleigh. And those who have known this faithful servant of God would in all reverence echo the expression of the little girl who was speaking so sincerely out of a discerning heart.

John William Potter spent his life developing, out of his love for God and his fellow man, a Christ-like heart that was reflected in his radiant countenance and his self-giving service. He was born in Bladen County on May 11, 1852, the son of John W. and Melinda Watson Potter, and moved with his family to Wilmington in 1860 in order to attend Miss Katie King's School. After receiving his education he worked with the Western Union as a messenger boy and during that time studied to be a telegraph operator. He was transferred to Augusta, Georgia, by the Western Union Company as an operator.

It was while working in Augusta that he heard the call to the ministry and was licensed to preach by the St. John Church Quarterly Conference on October 8, 1894. He was admitted into the North Georgia Conference in November, 1896, and his first appointment was as Junior Preacher to the St. John church. An indication of what was to be expected of Brother Potter was reflected in resolutions passed by the Board of Stewards of St. John church at the end of his year of service to the church, resolutions which refer to him "as a man full of the Holy Ghost and of good works; and one who will give himself wholly to the work unto which we believe the Holy Ghost has called him." His ministry throughout the years has proved the truth of this estimate of him in the very beginning of his ministry.

He served the Hart Mission in 1898 and that North Atlanta Mission in 1899; and in November 1899, he transferred to the North Carolina Conference. He was ordained deacon at Augusta in 1898, and ordained elder at New Bern in 1900. In the North Carolina Conference he served Market Street (later Trinity), Wilmington 1900-03; Mount Olive-Faison 1904-06; Morehead City 1907; Edenton 1908-10; Roper 1911-14; Jenkins Memorial, Raleigh, 1914-18; St. John, Goldsboro, 1919-23; Clark Street, Rocky Mount, 1924-27; South Rocky Mount, 1928. After a service of 32 years, he retired iu 1928 and moved to Raleigh, near to Jenkins Memorial church, where he continued to live and serve God and people until 1947. He then went to live with a nephew, Mr. J. B. Williamson, in Wilmington, and up until a very short while before his death was a regular attendant at Trinity church, the church he had first served (as Market Street church) in the North Carolina Conference, He died at Bulluck Hospital on September 26, 1949, after a short illness, at the age of 97. Services were conducted at Trinity church on September 27 by his pastor, Rev. Edgar B. Fisher, assisted by Rev. C. D. Barclift and Rev. Robert W. Bradshaw, and his body was laid to rest in Oakdale Cemetery. He is survived by three nephews: James Bernard Williamson of Wilmington, John F. Potter of Southport, and Roy Potter of Miami, Florida; and a niece, Mrs. Louella Rouark of Southport.

On February 27, 1909, he married Mrs. Lida Graffin Berry, and throughout the remainder of her life she was a devoted companion who shared with him in every detail the work, the joy, the blessing of ministry for Jesus Christ. Mrs. Potter passed away on April 9, 1938.

Brother Potter was a man of God. One felt it when he was in his presence, was assured of it as he heard him pray, or talk about the goodness of God. His religion was his life. Every thought, every feeling, every word, every act seemed to center around being a good minister of Jesus Christ. It was not a repressive religion, but a happy, sincere, wholesome expression that made one feel better just to be near him. He did not so much point the way to God as try to take the hand of people and lead them into His presence.

He was a good man. In the many years I was privileged to know him there was never an act, nor word, nor attitude that did not seem to be in accord with the will and mind of Christ. And there was power in his goodness. One could not be around him and not have the desire to be a better person. One man told me he actually dodged Brother Potter on the street because he knew if he ever got close to him he would cause a real change in his life. He could not dodge Brother Potter forever, however; and when he did come under the power of that godly man he became a changed being and a loyal and devoted follower of Jesus. That was typical of his ministry.

He brought God so close. The spiritual was the natural for him. He could speak of his Lord as if he were as near as the guest in the home, and make the guest feel His nearness, too. He could talk to his Lord in prayer in such a way as to make all around him feel that there was no question about a strong, clear connection being established between him and God. One of his stewards commented that Brother Potter was worth more than they could ever pay him if he did nothing but walk up and down their streets. His spiritual shadow cast a blessed strength on all who came beneath it. A letter written by him a few month ago told of his difficulty in reading and the fact that he could get little satisfaction from the radio. Then came this sentence: "I hear from Jesus every day, and am happy on the way as I draw near Home." He lived that close to God!

Just a month before he went Home I had my last earthly visit with him. He had been sick, he was very feeble. But as he spoke of his Lord his face brightened and his voice grew stronger. "The Lord has been mighty good to me, Robert, Mighty good! He has been good all the way." And as I went away I was saying in my heart what I knew thousands who have known this saintly man have said over and over again: "The Lord has ben mightly good to me—in that He sent Brother Potter my way to bless and enrich my life."

MRS. J. C. HUMBLE

By J. J. Boone

Mrs. Elizabeth Walters Humble, wife of the late Rev. John C. Humble and a daughter of the late George W. Walters and Elizabeth Powers Walters, was born in Chatham County January 29, 1871. She departed

this life Tuesday morning, December 21, 1948, following six years of failing health. She lived with us here on earth 77 years, 10 months, 22 days.

Mrs. Humble's body was buried by the side of her husband out from Siler City in Chatham County. Brother Humble died August 14, 1948.

Surviving are two daughters: Mrs. Norman Ethdidge of Virginia Beach, Va.; and Mrs. Stacy Lewis of Cambridge, Md.; one sister, Miss Rosa Walters of Greensboro, N. C.; and two grandchildren.

The writer of this memoir fell in love with Rev. and Mrs. Humble when he was a boy and loved them during all these years. No minister among us led more souls to Christ than did John Humble. Mrs. Humble was consecrated and made possible the world her husband lived in and her children grew up in. This home was a typical Methodist minister's home. May God's blessings and his richest benedictions be upon the heads and hearts of the children and grandchildren.

MRS. W. F. ELLIOTT

By E. L. Hillman

Mrs. W. F. Elliott died July 9, 1949, and was buried in Floral Garden Park Cemetery, High Point. She was born near Mooresville, North Carolina, September 19, 1877. Here she lived until her marriage.

On January 10, 1900, Agnes LaMyra Bradley became the bride of Rev. W. F. Elliott, and they went to live in a parsonage at Harmony, N. C., where her husband was already serving the Turnersburg Charge of the Western North Carolina Conference. In this section of the state they continued to live until the fall of 1923, when they were transferred to the North Carolina Conference. In this conference they labored faithfully until their retirement in 1945. It was then that they made their home at High Point until a short time before her death they moved to the Methodist Home for the Aged in Charlotte. She suffered from a cerebral hemorrhage and was taken to the Presbyterian Hospital where she passed away on July 9, 1949.

The funeral services were conducted from Wesley Memorial Methodist Church, High Point, by the pastor, Rev. Paul Hardin, Jr.

Mrs. Elliott was the devoted mother of five children: Mrs. R. M. Shannon, Charlotte; Mrs. H. R. Ashmore, Yanceyville; Mrs. W. R. Peters, High Point; Mrs. C. L. Taylor, Roanoke Rapids; and William B. Elliott, Laurinburg. Surviving are her husband and the five children; eight grandchildren; and one sister, Mrs. R. S. Brawley of Mooresville.

These are the short and simple annals of a beautiful life, beautifully lived for others. Mrs. Elliott had the gentleness and charm that belonged to her day and generation. Her husband and children, and a large circle of friends in many places of North Carolina, are witnesses to her devotion to the finer things of our human existence.

DELLA ROWENA NORMAN SHAMBURGER

By O. W. Dowd

She was born in Plymouth, North Carolina, May 8, 1866. Her parents were Nathan D. and Deborah H. Norman.

She was educated in Baltimore, where she lived from the time she was

about six years old until she married Frank M. Shamburger in 1888. She died at her home in Oxford, North Carolina, September 16, 1949.

She is survived by two daughters, Myrtle Shamburger Taylor (Mrs. D. K.) of Oxford, and Londa Shamburger Johnson (Mrs. Pierce) of Weldon; also by seven grandchildren, Frank Shamburger Taylor, of Durham, N. C., Mrs. Grady Hardin, Jr., of Houston, Texas, Mrs. Jack Palmer, Jr., of Shelby, N. C., David Kerr Taylor, of New York City, Mrs. Lewis V. Evans III, Arlington, Va., Mary Pierce Johnson, Durham, N. C., and Lee Johnson, student at Duke University.

She was active in all phases of church work during the ministry of her husband for nearly fifty years, but she was especially interested in the work of the Woman's Society, and was the inspiration for the organization of the Della Shamburger Society of Hertford.

To know her was to love her; to lose her was a great loss; to cherish her memory a blessed thought. The spiritual glow in her life seemed to linger upon her lovely face in death.

Her strong Christian character shone in her unwavering faith in God, in her church, in a love that never faileth to God, and to loved ones; in a never ending kindness; in loyalty to the highest; in faithfulness to her Lord to the end.

We never know how best to make an appraisal or evaluate a life until we see it in the light of its opportunities, privileges, in its different aspects, realms, and relationships, in its heights, and depths. We must see it over the long stretch of the journey. We must see it whole, in its total contributions.

To do this I would take the retrospective look at my now ascended friend, in the long itinerant journey in the Methodist itineracy, and then in the lengthened shadows of the retirement period of life.

I have four pictures of her. First, as the devoted wife and faithful companion of her husband. I see her in those more than four decades of faithful and fruitful years in the Methodist itineracy. I can think how well she presided over, and graced many a Methodist parsonage home, making a happy place for her husband, and giving a cordial welcome to church friends. What an inspiration she was to her husband, praying for him, and praising him. How many time I have heard her speak of her ascended husband in celestial terms.

Thus they were united in life's task, and now they sleep side by side in Elmwood Cemetery, Oxford, N. C., waiting for the resurrection dawn.

Father in thy Gracious keeping, leave we now thy servants sleeping "until we meet again before the throne, clothed in the spotless robe He gives his own, until we know as we are known—Goodnight."

In the second picture of memory's art gallery we look at our friend as mother and home builder. Her daughters rise up to call her blessed. The blessed influence of this precious mother will abide upon all whose lives she touched in companionship. Into the lives of the loved ones she built something of the Christian faith, the high ideals, love and loyalty, things that will not pass away.

In the third picture of our friend we take a look at her as a Christian believer and devoted follower of our Lord. This is something of a sacred sanctuary, an inner shrine, a sort of holy place where we tread softly. We can look at the Christian from the standpoint of the fruitage, and expressions of the life. We see the faith in its attitudes, aspirations, purposes, in words, and gracious deeds. I can bear witness to the fact that

her faith was positive, aggressive, that her love was ardent and passionate for her Lord, that he hated sin in all its forms and fashions; she hated it with a God-like hatred. But she loved righteousness with a passion. You could, find no neutral ground, no come-between, no compromise, no quarter for sin in this believer's heart. She was an "O and O" Christian, out-and-out. She was for the right; was against the wrong. I find it refreshing, stimulating to see one with a positive faith, who believes and lives her faith. Mrs. Shamburger was immovable in her stand for righteousness. No namby, pamby, pink colored, but strong and virile and vigorous was her faith. So she loved God with her total personality, mind, soul and strength. The picture of this strong believer will not soon fade from the hearts of those she touched with the power of her personality.

In the last picture of the art-gallery of memory I want to give a personal word relative to her warm, unwavering, unchanging friendship to the "Dowds." She was the same, yesterday, today and to the end. When she was in my congregation I knew I had at least one to pray for me, and who would find something to praise. The poorer I did, the more I needed her. Well, she had a brilliant mind, a fine spiritual insight, and a keen sense of values. Somehow she could say, well done, good and faithful servant.

It was in the quietude of her beautiful home the funeral rites were held. There were assembled her daughters, and seven grandchildren and many of her warm personal friends to pay their tribute of love and esteem. The program was beautifully simple, and was conducted with gracious dignity by three Methodist ministers. The order of service was carried out in accord with her wishes. Each of the ministers read a scripture selection. The writer read the comforting messages from John 14, about the House of Many Mansions, and from Revelations 21 and 22, about the Holy City, and the river of the water of life. These scriptures seemed to sing to us of comfort, home and beauty. The writer closed the service with a prayer of gratitude and praise. We are grateful to God for the life that has been so nobly lived, forcefully and fruitfully.

We are grateful for her many years of service in the church of God, for her constructive influence in the home and community, for her unwavering faith in God, for her understanding friendship.

For if this earthly tabernacle were dissolved we have a building of God, a house not made with hands eternal in the Heavens. So there is no death for that which is eternal in personality.

So may God, guide, strengthen and keep the dear loved ones left behind, and who wait till that glad day when the shadows of night flee away, and in that glad morning we meet again those we have loved and lost awhile.

MRS. ALPHEUS McCULLEN

By B. B. Slaughter

Mrs. Alpheus McCullen (nee Cuninggim) slipped away quietly and triumphantly with a peaceful smile on her face as the clock struck seven on the evening of May 25, 1949. She was born October 3, 1861, in Greene County, North Carolina. She was the daughter of John Wesley and Mary

Bryan Cuninggim, a family whose name is written large in the history, service and influence of Methodism in North Carolina. The mother of Dr. J. M. Ormond of Duke University, was the sister of John Wesley Cuninggim, and aunt of Mrs. McCullen. Dr. J. L. Cuninggim president emeritus of Scarritt College, and his son, Dr. Merrimon Cuninggim are about the only ones left who bear the name of that noted family.

Mrs. McCullen's father died in 1865 before she was four years old. Her mother then moved to LaGrange, N. C. Her mother died when Laney Addison, the daughter, was fifteen years old. After her mother's death, she went to live with Rev. Jesse A. Cuninggim, her uncle and guardian.

She was married to Rev. Alpheus McCullen November 26, 1879, who joined the North Carolina Conference in 1882. He preceded her to the glory land November 6, 1929, just 20 days before they would have celebrated their golden wedding. There were born to this happy union eight children. Three sons died in infancy. Wm. Lawrence died or was killed in World War I, September 29, 1918, during the break through of the Hindenberg Line. Alpheus A. died September 8, 1943. Those who survive are Mrs. Mary M. LeGwin and Mrs. Emma M. Covington of Rockingham; Jesse B. of New Jersey; also ten grandchildren and four great-grand-children.

Mrs. McCullen was a valuable help and constant inspiration to her husband in all his work and to the churches and communities where they served. She was an invalid, confined to her bed for eleven year and blind for seven years. She never complained or questioned her Father's goodness and care, but maintained a cheerful attitude and bouyant spirit. She had a fine sense of humor and was a good and interesting conversationalist. She maintained a keen interest in the church and the welfare of the community. Many people, especially the young, sought her counsel in their troubles and distress with their problems.

She retained her mental faculties and interest in life almost to the end.

The funeral service was conducted by her pastor, Rev. D. E. Earnhardt, and her body was laid to rest by her husband in the cemetery at Rockingham, N. C.

MRS. TRULA EAST TRAWICK

By A. S. Parker

With her marriage to Rev. William Floyd Trawick on January 1, 1915, Miss Trula James East began a happy and useful ministry in the Methodist Church. Mrs. Trawick was born May 18, 1895, near Danville, Virginia, the daughter of Robert Lee East and Maranda Shelton East. She grew up surrounded by splendid Christian training and the influence of a godly home.

To their happy parsonage home were born a daughter and a son; Mary Elizabeth, who is now Mrs. Kenneth McKethan of Fayetteville, N. C., and William Floyd, Jr., a student at Pineland College and Edwards Military Institute. Billy plans to prepare himself for the Methodist ministry.

For 27 years Mrs. Trawick labored by the side of her itinerant husband in the ministry of the Methodist Church. Gracious and efficient in sharing

the arduous life and duties of the parsonage as a true helpmeet, she was deeply and widely loved and she added much to the worth of her husband as a preacher and leader of men. Their itinerary carried them to Vass Circuit, Mount Gilead Circuit, Fairmont, Ellerbe, Raeford and Biscoe.

In 1937 her husband was forced to retire because of ill health and they moved to Raeford where they purchased a modest home. While living in Raeford Mrs. Trawick was employed in the welfare work of Hoke County, where she gave understanding and efficient service for three years.

In 1942, after partially regaining his health, her husband was urged to serve Hallsboro Circuit as a retired supply, and Mrs. Trawick was of served help to him and the people they served in those trying war years. Mrs. Trawick won high esteem and left a host of friends at every church on the charge. The last charge was at Pinebluff, and it was from this field of service that her husband was called on April 16, 1945, to be at home with God.

In the fall of 1946 Mrs. Trawick accepted a position at Pineland College and Edwards Military Institute as counselor and housemother in White Hall Dormitory that she might be near her son, who was a student there. She was holding this position at the time of her death. The acting president of the school said of Mrs. Trawick, "She was a fine Christian woman and her influence was very elevating on our campus."

Mrs. Trawick reached the end of her earthly pilgrimage at Highsmith Hospital, Fayetteville, N. C., July 25, 1949. She slipped away from the toils and sufferings of earth to occupy one of the mansions builded in the Eternal City of her God. A devoted and dutiful wife, a wise and loving mother, a genuine friend, a faithful and efficient worker, she was ever loyal to her high spiritual ideals.

Her funeral was conducted from Hay Street Methodist Church, Fayetteville, N. C., by Rev. A. S. Parker, assisted by Rev. G. N. Ashley of Pineland College, Rev. W. L. Maness and Rev. P. O. Lee. Her body was laid to rest by the side of her husband in the cemetery at Raeford, N. C.

MRS. T. E. DAVIS

By Anna Davis Taylor

She was the wife of Rev. Thomas E. Davis and for nearly fifty years they had served in the Northern and Southern Methodist Churches, Upon retirement Rev. and Mrs. Davis moved to Virginia to be near their daughers living in Richmond.

Mrs. Davis was before her marriage Annie Rebecca Ames, daughter of Rev. William C. and Margretta C. Ames of Amesville, Pa. From her early childhood she was trained for service in the work of the Church and was a ready helper both to her father and her husband.

"Abide with me fast falls the eventide In life, in death, oh Lord abide with me."

Sessions of the North Carolina Conference of the Methodist Church

The North Carolina Conference of the Methodist Church was composed of the North Carolina Conference of the former M. E. Church, South, and parts of the North Carolina Conference of the former Methodist Protestant Church and the Blue Ridge-Atlantic Conference of the former Methodist Episcopal Church. The former Methodist Episcopal Church gave to the North Carolina Conference of the Methodist Church 9 preachers, 11 charges and 1,837 members, the former Methodist Protestant Church 23 preachers, 20 charges and 9,152 members; the former Methodist Episcopal Church, South, 273 preachers, 226 charges and 132,735 members.

NOTE: The Distributing Committee at the 1940 session of the Western North Carolina Conference added three retired ministers of the former Methodist Protestant Church to the roll of the North Carolina Conference. The names of these preachers should have been included in 1939 in the list of preachers coming into the North Carolina Conference from the former Methodist Protestant Church.
